Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued and/or repurchased by the Company prior to the AGM, the Company will be allowed to issue a maximum of 158,400,000 Shares representing 20% of the number of issued Shares as the date of the resolution granting the general mandate at the AGM.

LETTER FROM THE BOARD

Your attention is also drawn to the additional information set out in Appendix I and Appendix II to this circular.

By order of the Board
Jiujiuwang Food International Limited
Mr. Zheng Zhenzhong
Chairman and executive Director

This appendix serves as an explanatory statement as required under the Listing Rules to provide the requisite information to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. LISTING RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution in a general meeting, either by way of general mandate or by specific approval in relation to a particular transaction and that the shares to be repurchased must be fully paid up.

2. SOURCE OF FUNDS AND IMPACT OF REPURCHASES

Any repurchase of the Shares under the Repurchase Mandate will be financed from the funds legally available for such purposes in accordance with the memorandum of association and Articles of Association of the Company, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Any repurchase of Shares by the Company may be made out of profits or share premium account of the Company or out of proceeds of a fresh issue of Shares made for that purpose or, if so authorised by the Articles of Association and subject to the solvency test and the Companies Law, out of capital. Any premium payable on a redemption or repurchase over the par value of the Shares to be purchased must be paid out of the Company's profits or share premium account, or, if so authorised by the Articles of Association and subject to the solvency test and the Companies Law, out of capital.

The Directors consider that the exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2020, being the date of the Company's latest audited consolidated financial statements). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2020, being the date of the Company's latest audited consolidated financial statements) which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 792,000,000 Shares.

As at the Latest Practicable Date, there was no outstanding share option granted under the Share Option Scheme.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 79,200,000 Shares, representing 10% of the number of issued Shares as at the date of the resolution granting the repurchase mandate at the AGM. The above mandate will expire on the earliest of: (i) the conclusion of the next annual general meeting of the Company; following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the mandate is renewed, either unconditionally or subject to conditions; or (ii) the expiration of the period within which the Company is required by any applicable law or the Articles of Association to hold the next annual general meeting of the Company; or (iii) revoked or varied by ordinary resolution of the Shareholders in general meeting.

4. REASONS FOR PROPOSED PURCHASE OF SHARES

The Directors believe that it is in the best interest of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws and regulations of Cayman Islands and the memorandum of association and Articles of Association of the Company.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code, unless a whitewash waiver is obtained. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate. As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Jianeng International Limited (which is wholly and beneficially owned by Mr. Zheng Zhenzhong), XIEJIA LIMITED (which is wholly and beneficially owned by Mr. Zheng Guosi) and Haisen International Limited (which is wholly and beneficially owned by Mr. Zheng Guodian) is beneficially interested in 172,853,972, 201,662,968 and 201,662,968 Shares, respectively which in aggregate represents 72.75% of the number of Shares in issue of the Company. Pursuant to the concert parties confirmatory deed, executed by Mr. Zheng Zhenzhong, Zheng Guosi, and Zheng Guodian, each of them is deemed to be interested in each other's interest in the Shares within the meaning of Part XV of the SFO.

If the Directors were to exercise the Repurchase Mandate in full, the percentage shareholding of Controlling Shareholders would be increased from 72.75% to approximately 75.6% of the number of Shares in issue of the Company. Such an increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of the Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

The Directors will not exercise the power to repurchase the Shares if it will cause further concentration of the shareholding of the Company, unless the repurchase of Shares will not cause insufficient public float of the Company.

The Directors will not propose to repurchase Shares as would, in the circumstances, result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

8. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

9. SHARE PRICE
